Canada

APPENDIX "B"

Housing is more than just a roof over our heads

The National Housing Strategy Principles:

People

- Ensuring more Canadians have access to housing that is safe and that they can afford
- Prioritizing vulnerable persons
- Encouraging public participation in the development and evaluation of the policy

Communities

- Promoting diverse, inclusive communities by building sustainable, accessible and mixed use housing
- Empowering communities to develop and implement local solutions to housing challenges
- Promoting housing investments and life that supports Canada's climate change agenda to accessible communities

Partnerships

- Maintaining and prioritizing a resilient community housing sector
- Encouraging transparent and accountable partnerships to create better outcomes
- Recognizing that First Nations, Inuit and Metis Nation housing strategies must be co-developed and founded in the values of recognition of rights, respect and co-operation

A vision for housing in Canada

Canadians have housing that meets their needs and they can afford. Affordable housing is a cornerstone of sustainable, inclusive communities and a Canadian economy where we can prosper and thrive.

A \$40-billion once-in-a-generation investment

- \$15.9 billion** for the National Housing Co-Investment Fund
- \$4 billion** for Canada Housing Benefit*
- \$2.2 billion** for Homelessness Partnering Strategy
- \$9.1 billion** for Community Housing Initiatives*
- \$2.5 billion** for Federal-Provincial/Territorial Housing Partnership, including the North*
- \$9.8 billion** for existing agreements

* Includes cost-matching by provinces and territories

Stronger communities. Greater opportunities.

The NHS is a detailed 10-year plan that will deliver results and benefit all Canadians — including building more affordable, accessible, inclusive and sustainable homes.

100,000 new housing units created representing **4X** as many units built under federal programs from 2005 to 2015**

385,000 households protected from losing an affordable home and another **50,000** benefiting from an expansion of community housing

530,000 households removed from housing need

300,000 existing housing units repaired and renewed representing **3X** as many units repaired and renewed under federal programs from 2005 to 2015**

50% reduction in estimated number of chronically homeless shelter users

300,000 households provided with an average of **\$2,500/year** in affordability support through the Canada Housing Benefit

** Compared to units built and repaired through the Affordable Housing Initiative (AHI), Renovation Programs and the Investment in Affordable Housing (IAH).

Federal programs
