Dear Mayor Dilkens:

I send my sincerest congratulations on the 125th Birthday of Windsor and the 150th Anniversary of Ontario and Canada.

I am full of expectations for the gathering of the twelve sister cities of Windsor, which will bring a valuable opportunity to construct a new global network of sister cities and strengthening the partnership between them.

There is an old African saying, that explains "If you want to go to fast, go alone. If you want to go far, go together," which indicates that the key to a better life is "being together."

Dreaming alone becomes just a dream, but dreaming together becomes a reality.

In a sense that the purpose of gathering the sister cities of Windsor and providing them an opportunity to meet one another and share common interests and seek solutions and the way ahead towards the future; I believe this is the direction for city exchange and cooperation.

I am honored to be invited to this momentous occasion of wisdom and hopes.

It is my great pleasure to accept your kind invitation, and I will visit Windsor with full of joy.

I wish you all the best and the City of Windsor ceaseless prosperity.

I look forward to meeting you in Windsor in June.

Sincerely,

Dong-Shin Moon

Dear Mayor Dilkens

I send best wishes to everyone in Windsor from the citizens of Coventry. We were recently visited by Rotary International Vice President Jennifer Jones, a true inspirational lady and ambassador for your City.

On behalf of the Leader of the Council, Councillor George Duggins and myself, I would like to thank you most sincerely for the invitation to visit Windsor in June/July for the City of Windsor's 125th Birthday, whilst also marking the 150th Anniversary of Ontario and Canada.

Very regrettably the dates of the anniversary are in close proximity to a time that I am visiting one of Coventry's other twin cities – Kiel in Germany – as we celebrate the 70th anniversary of our twinning link. This makes it very difficult for me to visit two twin cities in close succession, I hope you understand.

I hope the celebrations are a great success and trust our friendship will continue to flourish into the future.

Yours sincerely

Councillor Tony Skipper
Lord Mayor (Elect) of City of Coventry

Invitation by the City of Windsor

Dear Mayor Dilkens, dear colleague

With great pleasure, I received your invitation to participate in Windsor's 125th Birthday celebrations as well as the 150th Anniversary of Ontario and Canada.

The relationship between our two Sister Cities has been a very good one for nearly 40 years now, and I am happy that several cooperation projects were realised in these last decades. In the last years, the training experiences of students from Mannheim in Windsor, offered by your city administration, were a fantastic means of connecting our cities and for each student a wonderful learning experience.

I regret very much that for me, it will not be possible to participate in the City of Windsor's jubilee personally. However, as a Sister city which is very interested in what is happening in the City of Windsor, it is important to us to take part in this event: Ralf Eisenhauer, leader of the Social Democratic Fraction in the Council, will represent the City of Mannheim. He will be accompanied by a member of the Office for European and International Affairs, Mrs. Jana Garbrecht, who is also in charge of the organisation of this visit.

I wish the City of Windsor a wonderful Birthday and our two cities a continuously good relation with possibly new projects ensuing from the upcoming visit.

Sincerely

Dr. Peter Kurz
