Parks Finder

MappMyCity Interactive App

MappMyCity has a new look, new spelling, and new functionality!

- The new **MappMyCity** replaces the older interactive map with a similar name;
- **MappMyCity** is now a webpage with access to many new interactive applications, most of which have been designed for a mobile world.
- **Parks Finder** is a new app designed to learn more about City of Windsor parks using a phone, tablet or computer.
- The new easy-to-use map helps you locate a City Park by searching for it by name, amenity, or by clicking on an icon.
- Once you've found your park, you can also learn what features you might find in that park - shelter, washrooms, playground, splash pad, sport field – to name a few.

Parks Finder

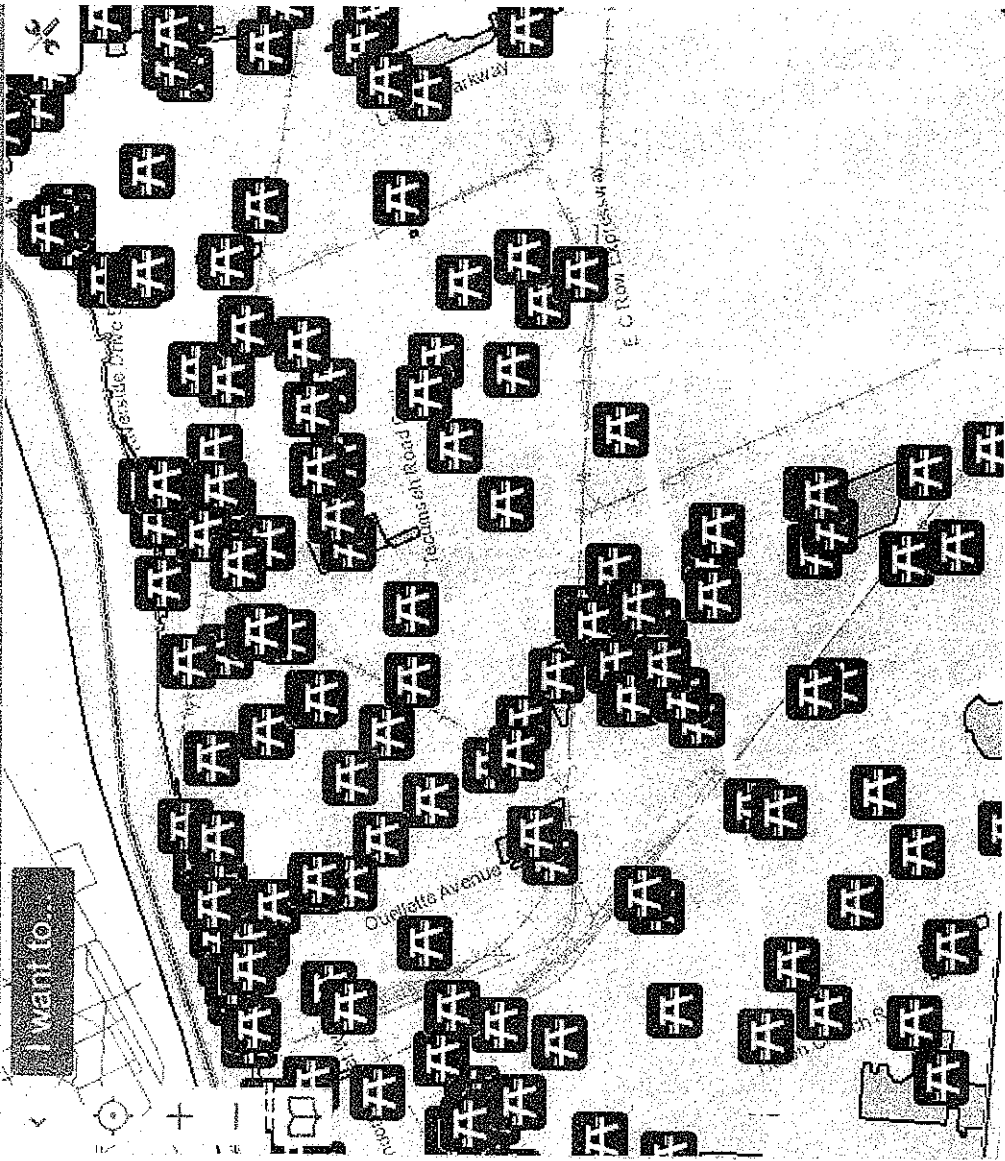

- Care to learn where to find outdoor sculptures, city golf courses, murals and trails? **Parks Finder** will get you there too!
- Mark up and personalize a map and save it as a PDF!
- Use the GPS-like locator on your phone or tablet and see where you are now on the map.
- Look up more about that park on the City of Windsor Parks website and send an email while in the app.
- All of this can be done in one place while on the go!

Parks and Forestry

Parks and Recreation provides residents and visitors with over 2,800 acres of green space in 215 parks featuring magnificent gardens, over 35 sculptures, numerous monuments and fountains, sport fields, play units, and picnic areas. We aim to beautify our community by planting formal gardens, boulevards and the riverfront with thousands of flowers, plants, and shrubs.

Parks & Play - Community Information Sessions

Our parks. Our playgrounds. Our city

Parks and Facilities in the City of Windsor is designing and constructing new spaces for our children to exercise, play, imagine. While continually working to redesign, upgrade and renew our parks as places for people to relax and refresh, Parks will install five new accessible themed playgrounds in five different parks across the city this year.

A Community Information Session for residents in your neighbourhood will be conducted by Parks and Facilities Staff to acquaint you with the playground proposals of interactive creative accessible and imaginative play spaces for:

Location:

3301 Woodland Avenue

Many changes have been made to Central Park over the years to ensure that it remains a vibrant recreational location in South Windsor. The outdoor pool is now a leisure pool with a beach entry, water features and wade pool. It is also the location for major baseball tournaments.

Amenities:

- Central Pool
- Baseball Diamonds
- Sports Court
- Lighted Tennis Courts
- Play Unit
- Parking Lot
