8(b) Taxi Vehicle – Safety Certificates, Age Limit, Insurance

Walter Bezzina, General Manager, Veteran Cab Company and Mike Dunning, Local 195, CAW and Haidar Aouli, Chairperson, CAW 195 are present and available to answer questions.

Walter Bezzina, General Manager, Veteran Cab Company provides the following comments relating to insurance for taxi vehicles:

- All owners of Veteran Cab vehicles have between \$6,000,000-\$15,000,000 of liability insurance for their vehicles
- Veteran Cab Company has 196 plates issued by the city
- Requesting deferral of the insurance issue until the industry meeting is held in September 2012
- To purchase additional insurance over and above the \$2,000,000, the cost is 96 cents a day. If there are two drivers of the vehicle, the cost is 48 cents a day.
- Mr. Bezzina's insurance company offers \$8,000,000 in insurance for an additional \$350.
- Request to keep the minimum insurance requirement at \$3,000,000 as mandated in the By-law.

Mike Dunning, Local 195, CAW and Haidar Aouli, Chairperson, CAW 195 provides the following comments relating to insurance for taxi vehicles:

- M. Dunning reports he represents 250 members who are in favour of the recommendations outlined in the report of the Supervisor of Licensing/Deputy Licence Commissioner.
- City of Windsor has the highest requirement for insurance - \$3,000,000. Very few brokers will provide the additional \$1,000,000. Requesting insurance requirement to be reduced from \$3,000,000 to \$2,000,000.
- Cost for the additional \$1,000,000 in insurance is approximately \$750 to \$800.
- Opposed to a deferral of this issue as some insurance policies will expire in July/August and the member will have to pay for the additional \$1,000,000 in insurance.

- H. Aouli reports the cost for additional insurance is not merely 96 cents a day; the deductible for an accident is \$2,500.
- This debate should be undertaken in December when negotiating the new collective agreement and not at the Windsor Licensing Commission.

Dana Paladino, Supervisor, Risk Management advises the recommendation to reduce the insurance requirement from \$3,000,000 to \$2,000,000 resulted from an investigation of the city's claims experience. She notes from the claims history (one lawsuit since 2007), the reduction in the insurance is not a significant risk. A catastrophic accident would result in claims much higher than \$2-\$3,000,000.

Moved by Councillor Sleiman, seconded by Councillor Dilkens,

APPENDIX "A"

I Thomas Quenneville a letter carrier for Canada Post who has been on route 446 for the last 12 years. On the morning of May 25-2012 ^{approx} I was delivering mail on the 1000 block of Glidden my usual time of delivery when I approached 1036 Glidden there was a panel truck from bath tub King-~~the driveway~~. The driveway at 1036 is located on the right side of the house so I proceeded to walk up the driveway and the bath tub King truck was on the right side of me, the truck was parked flush with the front of the house and that's where the mailbox is located on the front right side of the house, there is no stairs to climb I put the mail in the box turned around facing the street I said hello to two contractors that were standing in front of the truck, as I ~~walked down the driveway~~ ~~From the back of the truck a dog came around and came right up to me~~

I continued to ^{walk to} the sidewalk a dog appeared from behind the truck ^{the dog did not bark or growl} and came right up to me I kinda froze and let the dog sniff me, the dog turned away and then turned back towards me immediately he jumped and snapped at me that's when I raised my left arm to protect my face because this is a very large dog: HE WAS ABLE TO BITE MY ENTIRE LEFT FOREARM LEAVING TWO BITE MARKS. I THEN NOTICE THE OWNER ON THE OTHER SIDE OF TRUCK I TOLD HIM THE DOG BIT ME BAD. THE OWNER APOLOGIZED REPEATEDLY AS BLOOD BOKED DOWN MY ARM AND ALL OVER THE MAIL, MANY WITNESSES FOR THE REST OF MAIL IN RELIEF I CALLED MY BOSS, Tom L.
