INDEPENDENT AUDITOR'S REPORT

To the City Clerk of the City of Windsor

Qualified Opinion

We have audited the accompanying Financial Statements – Auditor's Report Candidate – Form 4 (financial statements) of Jeewen Gill (candidate), which comprises the statement of campaign income and expenses and the calculation of surplus or deficit for the period from June 15, 2022 to December 31, 2022, and other explanatory information.

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion sections of our report, the accompanying financial statements of the candidate are prepared, in all material respects, in accordance with the Municipal Elections Act, 1996.

Basis for Qualified Opinion

Due to the nature of the types of transactions inherent in an election campaign, the completeness of donations of goods and services and receipts and disbursements is not susceptible to satisfactory audit verification. Accordingly, our verification of these transactions was limited to the amounts recorded in the accounting records of the candidate, and we were not able to determine whether any adjustments might be necessary to income and expenses, assets or liabilities, and surplus/deficit.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the candidate in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of the Candidate for the Financial Statements

Management is responsible for the preparation of the financial statements in accordance with the Municipal Elections Act, 1996, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

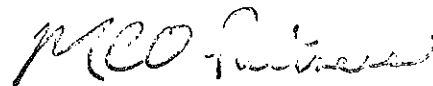

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with Canadian generally accepted

auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the candidate.

We communicate with the candidate regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
