Dear Property Owner:

Re: Riverside Drive Vista Phase 2A-Additional Information Meetings

Over the past year, the City of Windsor has been working diligently to finalize the reconstruction layout and property requirements for Riverside Drive Vista Project. At this time, the project team would like to present the final layout of the proposed works to local residents. Four targeted information meetings are planned in February 2022.

WHAT TO EXPECT AT THE MEETING

Residents directly affected by the Riverside Drive Vista Project will be invited to review plans and displays of the final layout. They will have the opportunity to ask questions regarding the proposed works as well as property and easement acquisitions.

Each meeting will be tailored to specific areas of the project and as such individual property owners will be invited to only the meeting dealing with their specific road segment. The date and time of these meetings will be finalized shortly and each resident will receive further notification in the New Year.

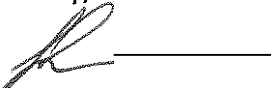

COVID RESTRICTION

The meeting is planned to be in a venue that will ensure that social distancing and strict COVID procedures will be followed. However, in the event that we are unable to hold an in-person meeting, these meetings will be moved online and additional instructions will be communicated.

PROJECT CONTACT

If you are unable to attend this meeting and would like to schedule an individual meeting, please contact Mr. Adam Mourad, P. Eng. at (519) 255-6100 Ext. 6614 or by email at amourad@citywindsor.ca.

Sincerely,
