

At the Manor

“At the Manor” is a series of unique events and initiatives that take place within Willistead Manor each year.

Over the years the program has included yoga classes, theatre and opera performances, literary events and poetry readings, public and private tours, brunches, dinners & more.

Space is limited for these unforgettable events in our City of Windsor arts, culture & heritage gem in Walkerville. Please explore the back of this card to find out what’s in store for you with the 2022-2023 “At the Manor” series.

We look forward to welcoming you back to Willistead!
