

Mud Painting

WHAT YOU WILL NEED:

- Container
- Dirt/sand
- Nature items: sticks, rocks, shells, pinecones, etc.
- Cardstock or construction paper
- Water

WHAT TO DO NEXT:

1. Go outside to look for some dirt or sand, place it in the container.
2. Add some water to the dirt and mix with a stick to make mud paint.
3. Gather a variety of nature items to use as paint brushes.
4. Paint a picture on the paper using your homemade mud paint!
5. This activity can be done indoors or outdoors.
6. Have fun exploring with mud!
