## Fall Tree Thumbprints

#### WHAT YOU WILL NEED:

- Paper or cardstock
- Small sticks found outside
- Fall coloured paint
- Tape

### WHAT TO DO NEXT:

- 1. Collect several small sticks from your yard or on a walk.
- **2.** Arrange the sticks on a piece of paper to resemble a tree trunk. Secure the sticks with the tape.
- **3.** Dip your thumb or the tip of your finger into the paint.
- 4. Dab your painted finger onto the paper to create a fall design.
- 5. Let nature guide your creativity.
