Ice Chalk

WHAT YOU WILL NEED:

- Sidewalk chalk
- Cheese grater
- 2 Tbsp cornstarch
- 4 Tbsp water
- Ice cube tray
- Large measuring cup
- Whisk
- Craft sticks

WHAT TO DO NEXT:

1. Grate a piece of sidewalk chalk into the measuring cup.
2. Add two tablespoons of cornstarch and four tablespoons of water into the measuring cup.
3. Mix with a whisk.
4. Pour the mixture into an ice cube tray.
5. Add a craft stick to the middle of each cube.
6. Place in the freezer for several hours or overnight.
7. Repeat the steps to make another colour.
