

## Nature Spray Prints

### WHAT YOU WILL NEED:

- A variety of leaves
- Spray bottle
- Water

### WHAT TO DO NEXT:

1. Take a walk and collect leaves in different shapes and sizes.
2. Fill a spray bottle with water.
3. Arrange the leaves outside on a driveway or porch.
4. Spray the ground around the leaves with water.
5. Lift the leaf and look at the print it left on the ground.
6. Challenge a friend or sibling to match a leaf to its print.
