Rolling Pin Yarn Prints

WHAT YOU WILL NEED:

- Rolling pin
- Ball of yarn
- Scissors
- Tray
- Paint
- Paper

WHAT TO DO NEXT:

1. Cut a long piece of yarn off the yarn ball.
2. Wrap the yarn around the rolling pin, and tie a knot to secure.
3. Put some drops of paint on your tray.
4. Dab the rolling pin into the paint.
5. Roll the paint onto the paper.
6. Have fun creating lines of colour. The thicker the yarn, the wider the lines will become.
