Paper Towel Roll Bird Feeder

WHAT YOU WILL NEED:

- Empty paper towel roll
- Scissors
- Any nut, seed or nut alternative butter
- Popsicle stick
- Cheerios, raisins, seeds
- Twine or string
- Baking tray or bowl

WHAT TO DO NEXT:

1. Make 2 small holes on each side at the top of the paper towel roll.
2. Thread a piece of twine or string through the holes of the paper towel roll and tie a knot.
3. Dip the popsicle stick in the nut butter and spread the butter all over the outside of the paper towel roll.
4. Place your food items in a bowl or on a baking tray.
5. Roll the paper towel roll in the food mixture or use your fingers to stick them on.
6. Continue to roll or place items until the surface is completely covered.
7. Hang it on a nearby tree where the birds can enjoy!
8. Watch the birds eat!
