

Flower Suncatcher

WHAT YOU WILL NEED:

- Contact paper roll or sheet
- Hole punch
- A small stick
- String
- Scissors
- Fresh garden flowers

WHAT TO DO NEXT:

1. Cut out 2 equal pieces of contact paper.
2. Peel off backing from one piece of contact paper, leaving sticky side up.
3. Place flowers, flower petals and leaves onto the sticky paper.
4. When finished, cover the collage with another piece of contact paper to seal it.
5. Use a hole punch to punch two holes in the top of the contact paper.
6. Use the string to tie the twig onto the contact paper.
7. Hang on a window or outside on a tree and enjoy.
8. Watch the beautiful colours as the sun shines through!
