

Construction Site Counting

WHAT YOU WILL NEED:

- Construction trucks
- Rocks
- Construction paper or card stock
- Markers
- Scissors

WHAT TO DO NEXT:

1. Gather toy trucks, for example: excavators, backhoes, dump trucks.
2. Collect rocks and stones around your yard.
3. On construction paper, cut out 10 squares.
4. On each individual square, print numbers 1-10.
5. Place the numbers on the ground for your child to choose.
6. Collect the number of rocks with each construction truck to match the number chosen. (For example, if using number 1 then place one rock inside the scoop.)
7. This activity makes counting fun.
8. This activity could take place both indoor and outdoor.
