Gingerbread Man Tracing

WHAT YOU WILL NEED:

- Roll of paper
- Markers or crayons
- Collage materials such as: pipe cleaners, stickers, popsicle sticks, etc.

WHAT TO DO NEXT:

1. Roll the paper out onto the floor, long enough so your child's body will fit on it.
2. Have your child lay down on top of it.
3. With a pencil, trace the outline of the child's body.
4. Using markers and your collage materials, have your child decorate their outline like a "Gingerbread Man!"
