## Handprint Hug

#### WHAT YOU WILL NEED:

- o Paper
- o Paint, markers, or crayons
- String or Ribbon
- Scissors
- Tape or glue

### WHAT TO DO:

- Create a handprint by painting the child's hands and placing them onto a piece of paper or by tracing around them
- o Cut out the handprints
- Write a message on the handprints or decorate them
- o Using string or ribbon, measure the child's arm span
- o Use tape or glue to secure the handprints to each end of the string
- › Your handprint hug is ready to send in the mail!
