Leaf Lacing

WHAT YOU WILL NEED:

- Leaves of various sizes and shapes
- Pipe Cleaner
- Hole punch

WHAT TO DO NEXT:

1. Collect an assortment of leaves.
2. Punch a hole into the edge of a leaf.
3. Pull the pipe cleaner through the hole.
4. String the leaves onto the pipe cleaner.
5. This is a fine motor activity using their little fingers to push the pipe cleaner through the hole in the leaves.
