Homemade Musical Instrument

WHAT YOU WILL NEED:

- ◇ Empty tissue box
- ◇ Construction paper
- ◇ Elastics
- ◇ Scissors
- ◇ Tape
- ◇ Markers, crayons, stickers or paint

WHAT TO DO:

- ◇ Measure the construction paper to fit around the tissue box
- ◇ Cut the construction paper and tape it onto the tissue box
- ◇ Decorate your homemade banjo with markers, crayons, stickers or paint
- ◇ Place the elastic bands around the decorated tissue box, across the opening, to represent the strings of the banjo
- ◇ Tape the elastics to the sides of the box so that they stay in place
- ◇ Have fun making a variety of instruments using recyclable materials!
