Valentine Cards

Have some fun making your own Valentine's Day cards together this weekend! Show your love to family and friends by sending or delivering cards for Valentine's Day, February 14th! This can be an enjoyable and rewarding way for children to work on their fine motor skills. Draw, colour, paint, write messages, glue materials, use stickers or stamps, and cut shapes out of paper using child safe scissors to create your homemade cards. You might also enjoy baking cookies together to deliver with your cards. Celebrate love by doing acts of appreciation this season!
