Family Day

Family Day is on Monday, February 21st to give families more time to enjoy together.

How will you spend your Family Day? The family literacy activity calendar posted on our website and social media suggests celebrating Family Day with a special story time or game night. Plan some fun activities with your family this weekend. Write a list of the snacks you can make together, gather the games you would like to play, choose the books you will read, and talk about what you will do during outdoor play! Share your Family Day activities with us on social media @WEEarlyON for your chance to win great prizes!
