A New Year List

A new year brings new opportunities to learn and grow with your child. Discuss some of the things that you would like to do together this year and write a list. Talking with children deepens their understanding of the world around them. It also gives you a chance to learn about their interests. Perhaps you would like to try preparing a new recipe together, visiting a new park, learning a new song or instrument, or reading a new story before bed. Doing a variety of fun activities together creates new opportunities for young learners.
