Traffic Calming Study – Little River Road (From Lauzon Road to Riverdale Avenue/Little River Acres Road)

The City of Windsor has received a request for traffic calming in the study area identified. Traffic calming measures are intended improve conditions for non-motorized users, alter driver behaviour and reduce negative effects of motor vehicle use.

PUBLIC INPUT

Consultation with the public and review agencies is an essential component of the City of Windsor's Traffic Calming Policy. A Public Information Centre (PIC) is scheduled for Monday, October 30, 2017. The purpose of the PIC is to:

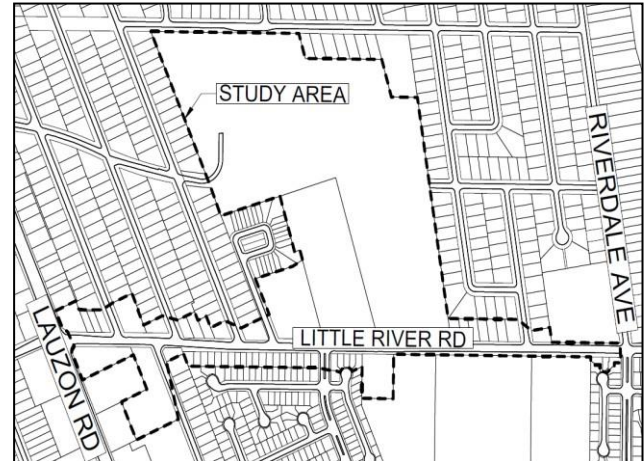

- Meet the Project Team
- Become informed about the traffic calming process
- Learn about the results of the neighbourhood review
- Discuss alternative solutions and design opportunities
- Provide comments and input

Comments and input gathered from the public and agencies will be taken into consideration during subsequent planning and design activities.

STUDY CONTACT

Please contact the City of Windsor's Transportation Planning Division if you are unable to attend the PIC and would like to obtain more information.
