

Notice of Public Open House

Victoria Avenue & Shepherd Street Bikeways

The Projects

The City of Windsor and Dillon Consulting Limited are preparing the design for the Victoria Avenue & Shepherd Street bikeways, high-priority projects under *Walk Wheel Windsor*, the City's Active Transportation Master Plan.

These projects are following the Schedule A+ process under the Municipal Class Environmental Assessment.

You Are Invited

A key component of this study is public and agency consultation. A drop-in open house is scheduled for December 8, 2022 to provide members of the public with an opportunity to meet the project team and provide comments on the recommended plans for the Victoria Avenue & Shepherd Street corridor. Public input received at the open house will be used to finalize the recommended plans. The open house will be held at the following location and time:

Thursday, December 8, 2022

4:00 p.m. – 8:00 p.m.

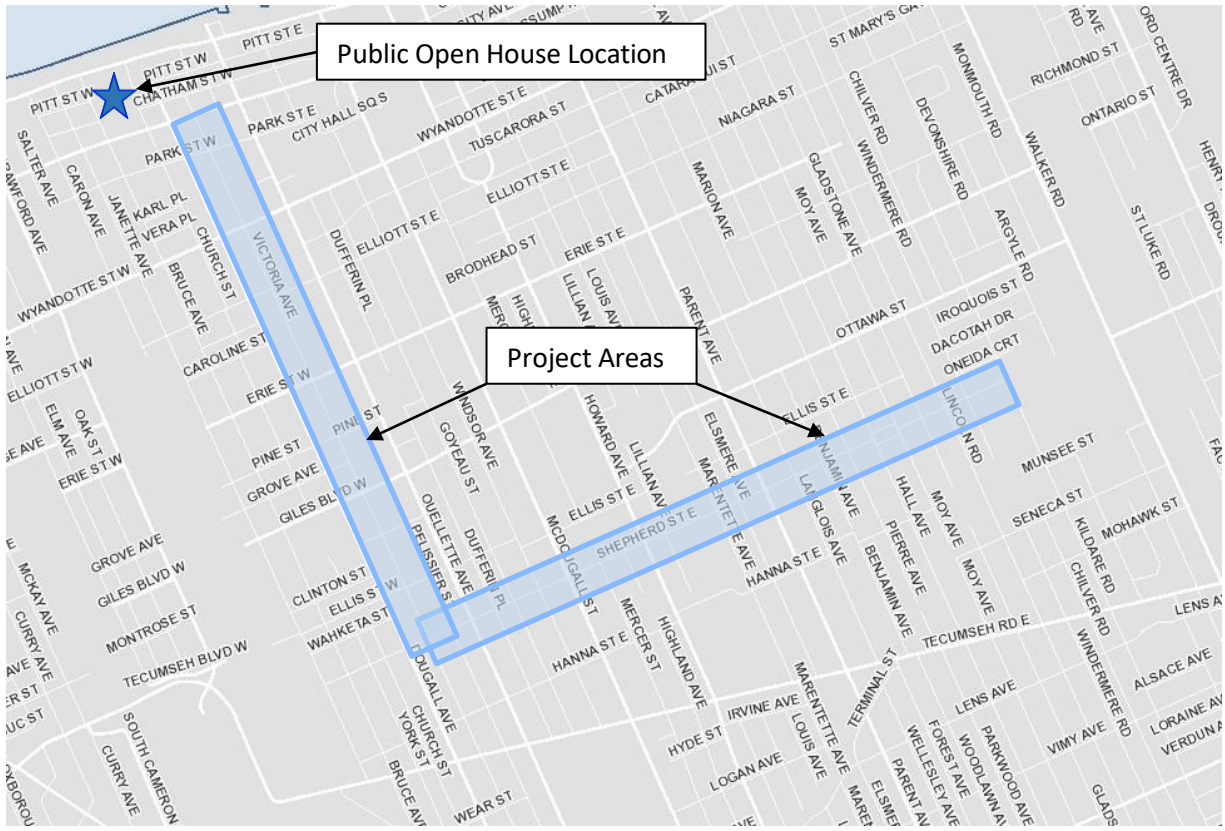

Windsor International Aquatic and Training Centre (Main Lobby)
401 Pitt Street West

Presentation materials will be available at WindsorEAs.ca under "Schedule A+ Projects" beginning December 8, 2022.

If you have any questions regarding this project or would like to be included on the project notification list, please contact transportation@citywindsor.ca or 519-255-6100 ext. 6831.

Personal Information is being collected under the Municipal Freedom of Information and Protection of Privacy Act. This information will be used for the purpose of gathering feedback for completing the environmental assessment. Questions about this collection may be directed to Awele Italiano, Transportation Planning Coordinator, at (519) 255-6100 ext. 6831, e-mail aitaliano@citywindsor.ca.
