

# PUBLIC OPEN HOUSE

## Proposed Official Plan and Zoning By-law Amendments – Airport Employment Lands

Dillon Consulting Limited, on behalf of The Corporation of the City of Windsor, is hosting a Public Open House to present the proposed Official Plan and Zoning By-law Amendments to the Windsor International Airport (YQG) industrial lands.

### PURPOSE OF THE OFFICIAL PLAN AMENDMENT:

- To consolidate the existing designations of “Airport”, “Open Space” and “Future Employment Area” under the “Industrial” designation.

### PURPOSE OF THE ZONING BY-LAW AMENDMENT:

- To rezone surplus airport lands from “Institutional” (I) to “Manufacturing District 2.2” (MD2.2) zone.

### WHAT TO EXPECT:

During these sessions, attendees will be able to:

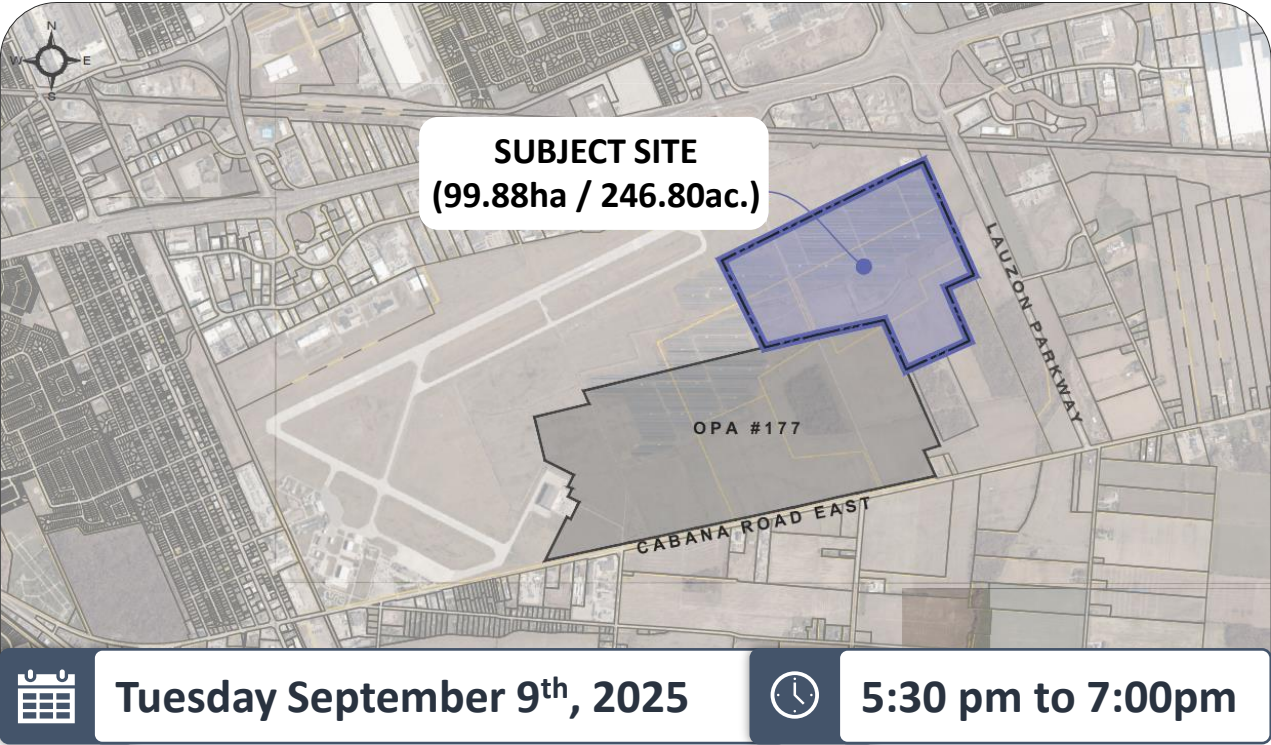

- Meet the project team; and
- Discuss comments and questions relating to the proposed applications.

This engagement forms part of the ongoing Planning approvals process in advance of the statutory public meeting required under the Planning Act.

### SESSION FORMATS (simultaneous):

- **In-person Open House:** Drop-in format with displays and project team available to discuss; and
- **Virtual Open House:** Drop-in format with project materials available for review along with a live Q&A session.

We are looking forward to your input and comment.

### In Person Open House Venue:

**Windsor International Airport**  
Terminal - Conference Room (West Entrance)  
3200 Cabana Road East, Windsor, ON N8V 0A1
