RE: Review and Entry into the Ontario Public Register of Archaeological Reports: Archaeological Assessment Report Entitled, "ORIGINAL: 17 DECEMBER 2024 STAGE 1-2 ARCHAEOLOGICAL ASSESSMENT 291 Watson Avenue, Lot 128, Concession 1 Petite Cote, (Geographical Township of Sandwich), City of Windsor, County of Essex (AMICK Corporate Project #2024-765/MCM File #P038-1553-2024)", Dated Dec 17, 2024, Filed with MCM on Jan 21, 2025, MCM Project Information Form Number P038-1553-2024, MCM File Number 0022733

Dear Marilyn Cornies (P038):

This office has reviewed the above-mentioned report, which has been submitted to this ministry as a condition of licensing in accordance with Part VI of the *Ontario Heritage Act*, R.S.O. 1990, c 0.18.¹ This review has been carried out in order to determine whether the licensed professional consultant archaeologist has met the terms and conditions of their licence, that the licensee assessed the property and documented archaeological resources using a process that accords with the 2011 *Standards and Guidelines for Consultant Archaeologists* set by the ministry, and that the archaeological fieldwork and report recommendations are consistent with the conservation, protection and preservation of the cultural heritage of Ontario.

The report documents the assessment of the study area as depicted in MAP 1 LOCATION OF THE STUDY AREA (ESRI 2019) and MAP 5 AERIAL PHOTO OF THE STUDY AREA (GOOGLE EARTH 2016) of the above titled report and recommends the following:

As a result of the Stage 2 Property Assessment of the study area, no archaeological resources were encountered. Consequently, the following recommendations are made:

1. No further archaeological assessment of the study area is warranted.
2. The Provincial interest in archaeological resources with respect to the proposed undertaking has been addressed.
3. The proposed undertaking is clear of any archaeological concern.

Based on the information contained in the report, the ministry is satisfied that the fieldwork and reporting for the archaeological assessment are consistent with the ministry's 2011 *Standards and Guidelines for Consultant Archaeologists* and the terms and conditions for archaeological licences. This report has been

entered into the Ontario Public Register of Archaeological Reports. Please note that the ministry makes no representation or warranty as to the completeness, accuracy or quality of reports in the register.

Should you require any further information regarding this matter, please feel free to contact me.

Sincerely,

Nicole Brandon
