

Registration

Each semester, students will register for the courses that are being offered for their cohort. Registration forms will be forwarded to the students, who then would register and pay online for the semester.

COST PER SEMESTER

- Cost per semester: approx. \$880.86 (3 classes) give or take a 3-5% tuition increase for the fall.
- Each class is approx. \$290

OSAP

This program is Part Time OSAP eligible.

ECE Grants

If you have been working for more than 6 months at a childcare facility or as a lunch monitor, you can apply for an ECE tuition grant. Each semester students will reapply for funds, providing their grades in the courses already taken. St. Clair will provide an intent to register form that will be used to apply for the grants, however **St. Clair College is not affiliated with the ECE Grants Program**. St. Clair is not involved in the provisions of these funds. Historically these funds do run out fairly quickly, and therefore it is the students' responsibility to have all of the required documents and apply in a timely manner.

For more information and full details, students should visit the official ECE Grants website:

 <https://ecegrants.on.ca>
